Ultimately with the rise of Communism Nee, unfortunately, faced persecution and spent his last 20 years in prison. Stephen and Alex Kendrick hail from Sherwood Baptist Church in Georgia. They are certainly best known for the film adaptations of their work. They have continually progressive success with movies since Facing The Giants, Fireproof, and Courageous are all amongst the highest-grossing Christian films of all time. The movie Fireproof from 2008 was based on and accompanied by the book known as "The Love Dare" which was a 40-day spiritual challenge aimed at "Fireproofing" your marriage. He is the founder of his "Insight For Living" bible teaching radio ministry. Chuck is a very inspirational speaker and offers hope and compassion in all of his devotional messages. One of the most impressive things I ever saw was when Dr. Dobson pointed out that too many CEOs make the mistake of hanging on too long and not grooming a replacement, so he took care of business by following God's calling and handing the reigns over to Jim Daly after Dr. Dobson had him fully trained. Joyce Meyer is an amazing Christian author whose books have helped millions of people all over the globe. She is a charismatic speaker with character and great motivational power. Secondly was the biggest selling Christian book of all time "The Purpose Driven Life" which is set up as a 40-day journey into unraveling the mystery of what on earth we are here for. Lee Strobel wasn't always a Christian writer, in fact, Lee Strobel wasn't always a Christian. He was an atheist who set out as a journalist to make a piece about how the Christian faith was ridiculous but found compelling evidence that led him to the Lord himself. Lee is now one of the leading men in the Christian writing community and a very motivational personality for others to be inspired by. His most notable books are "The Case For Christ", and "The Case For Faith." These are all terrific choices for authors when looking for a good read. These authors cover a wide spectrum of the Christian writing genre. These writers will challenge you mentally and emotionally with their writing. Please let the team at F&E know if you feel a different Christian author should've made the countdown. God bless. Jesus is King!
